Buying books...summer reunions...showing off tans...new cars, new classes, different faces--the carousel of Carl Hayden begins to turn, slowly and uncertainly.

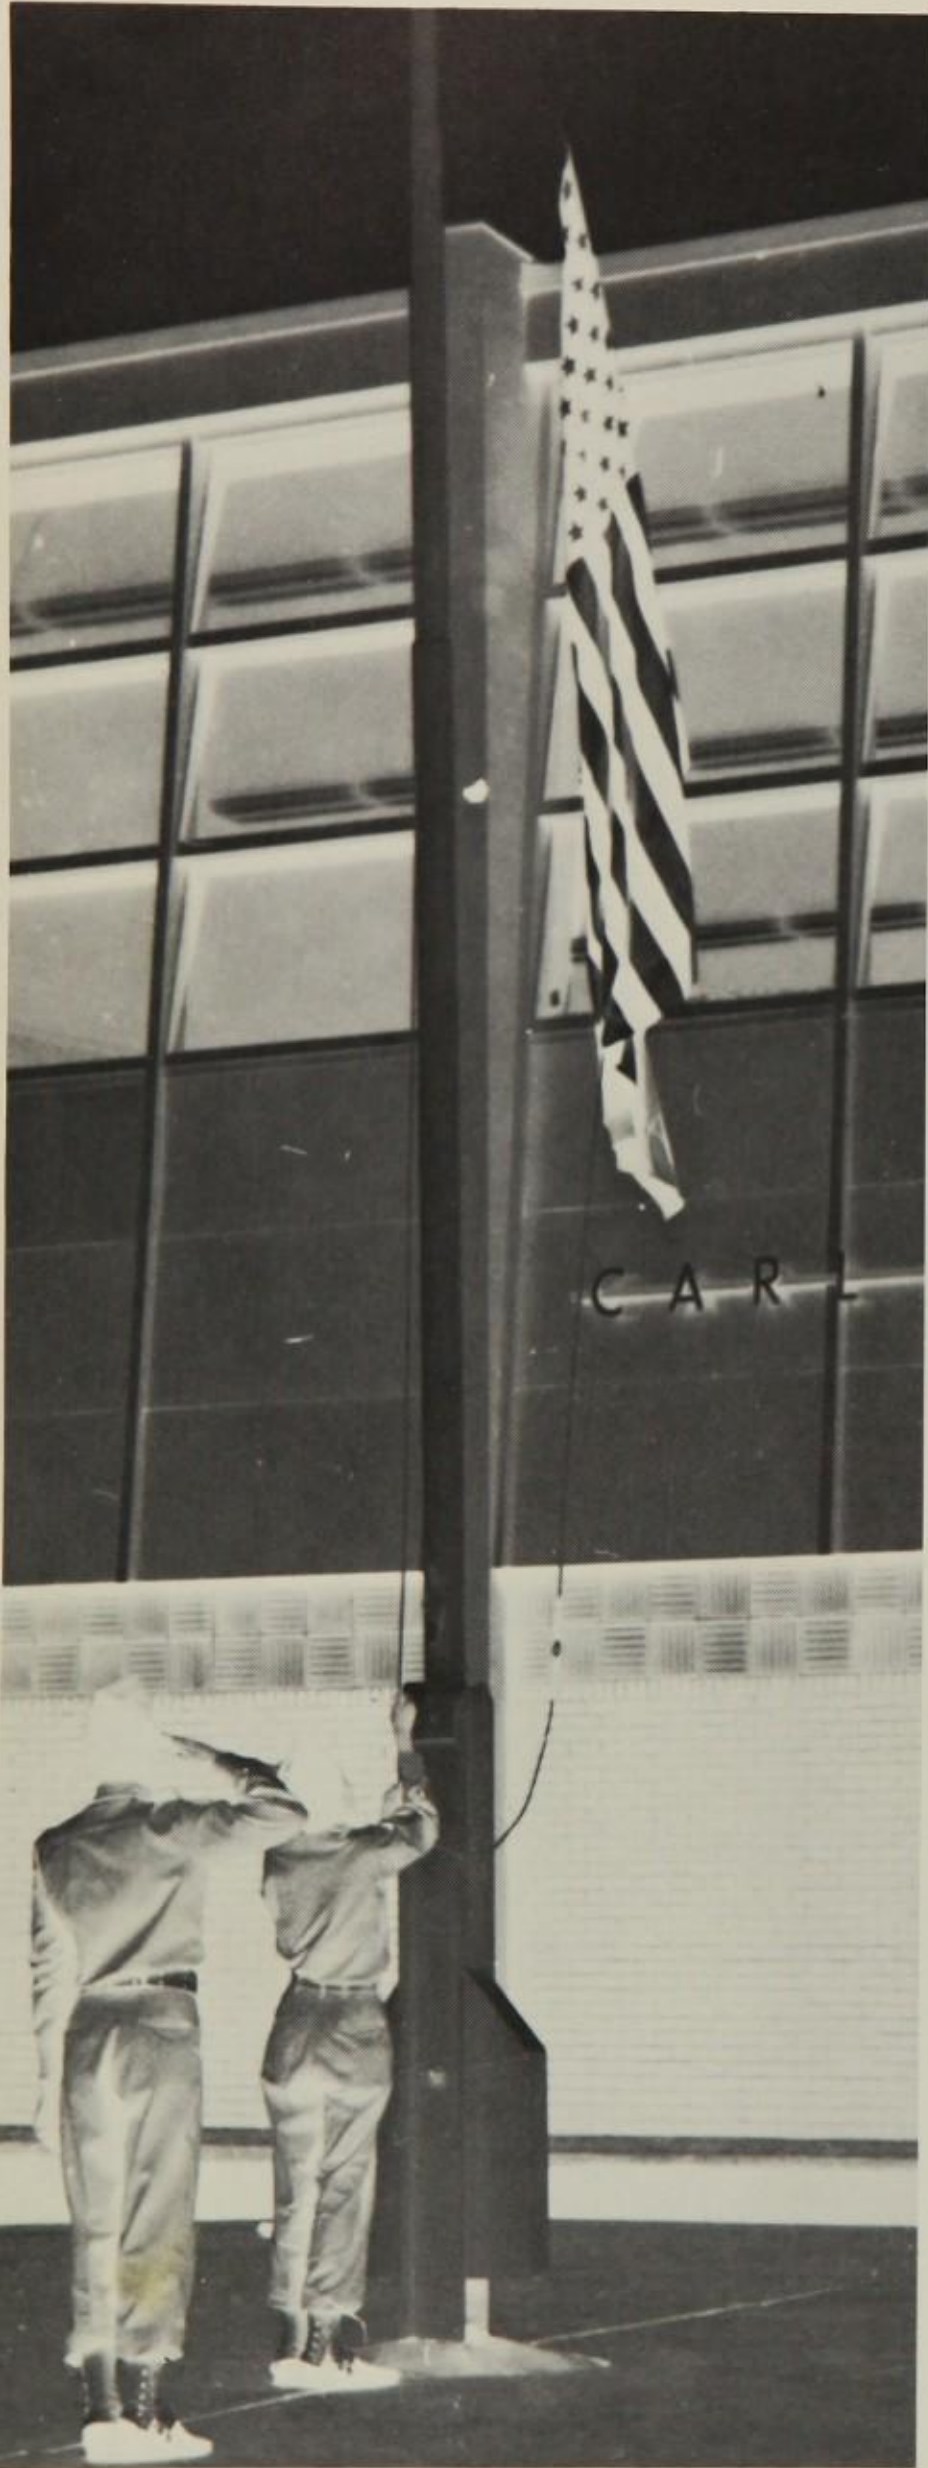

Testing, retesting...reports, term papers...study, concentration...choice, decision...the pace of the year is set as the carousel gains momentum.

Exhaustion and rewards in the experience of politics...dedication and effort in perfecting half-time shows...running the gamut of emotions in athletics...Homecoming, long hours of work and tears...fun of doing with friends...the carousel means involvement.

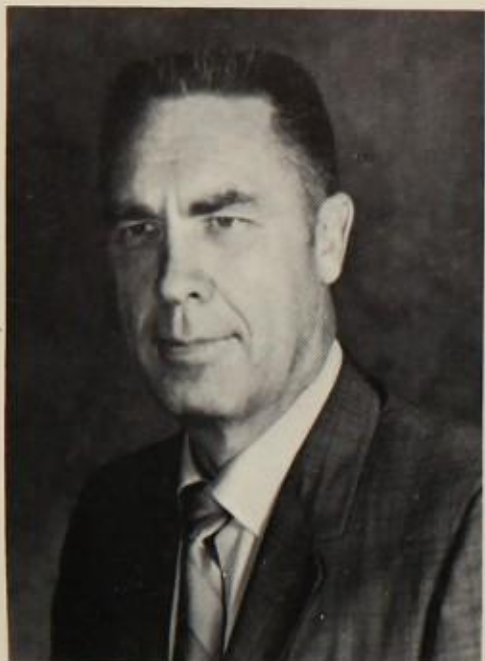

Solemnity of tradition...anxiety about the future...practice in the duties of maturity...relaxation...the carousel is preparation for tomorrow.

Two New Administrators Guide Carl Hayden

TAKING over the top administrative position at Carl Hayden is Mr. Woodrow LeSueur. Mr. LeSueur, associate principal since 1965, replaces Mr. Harry White, who was named principal at West High. Along with this transition comes the job of attending to the curriculum and supervision programs at Carl Hayden. This includes evaluating the twenty-seven new faculty

members and the twenty-five additional classes.

After serving as administrative assistant at Central High for seven years, Mr. Henry Jones is now associate principal at Carl Hayden. Mr. Jones is kept busy directing finances, registration, and activities pertaining to the internal operation of the school.

Mrs. Dorothy Druckemiller, ad-

ministrative assistant for girls, is responsible for advising girls on matters of conduct and scheduling club activities. Mr. Gerald LeRoy, administrative assistant for boys, coordinates athletic events and campus control.

Mr. LeRoy listens intently to a troubled parent. LEFT: Mr. LeSueur and Mr. Jones discuss registration of a new student with Counselor Griego.

School Board Passes Liberalized Dress Code

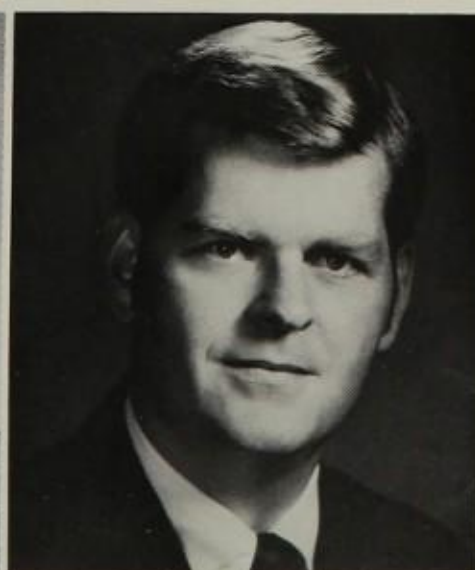

Mr. Woodrow LeSueur, Principal at Carl Hayden High School, contemplates behavior of students during one of our numerous assemblies.

PLANS are being drawn up for the addition of a new Phoenix Union District high school. The board hopes this new addition will relieve some of the over crowding which has plagued most system high schools this year.

One of the major resolutions passed by the school board was the new dress code. The code requires students to dress in such a manner that will not detract from instructional procedures of the school. Sports clothes, long hair, beards, and mustaches are now acceptable if neat and clean, although footwear must be worn.

While school attire here at Hayden occasionally ranges from ridiculous to sublime the majority of Carl Hayden students bow to parental pressure and their own sense of propriety and come dressed neatly and as usual.

Registration, the official record-keeping department is always busy with academic and absentee problems, scheduling classes, and watching class loads for overloading.

Printing the daily bulletin, making ID's, issuing guest and off campus passes, answering correspondence, and operating the switch board are but a few of the many jobs performed efficiently by our staff.

New English Program Initiated at Carl Hayden

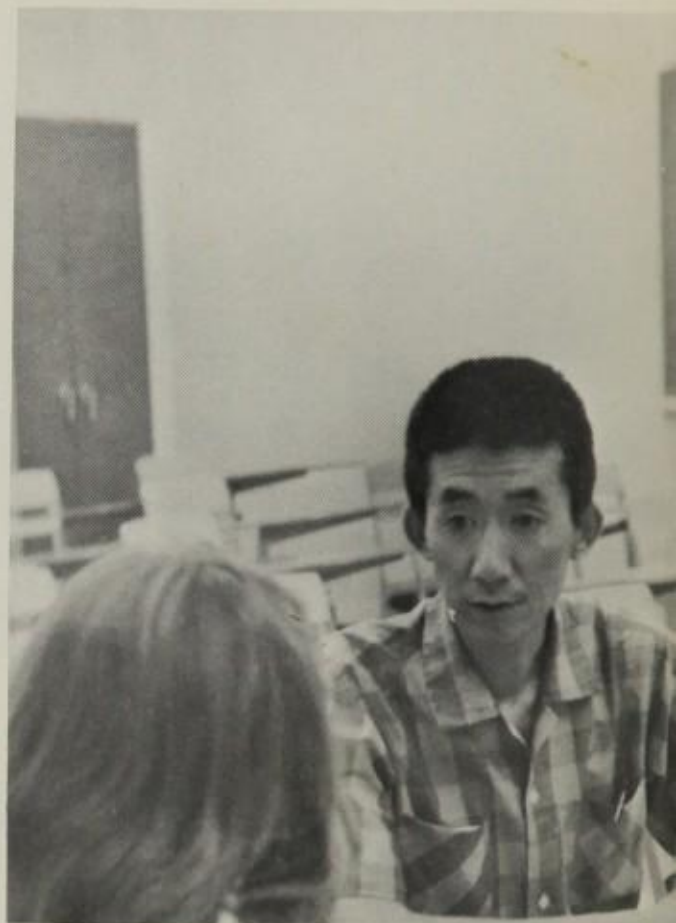

READING ability is the key to placement in the newly-initiated English Program.

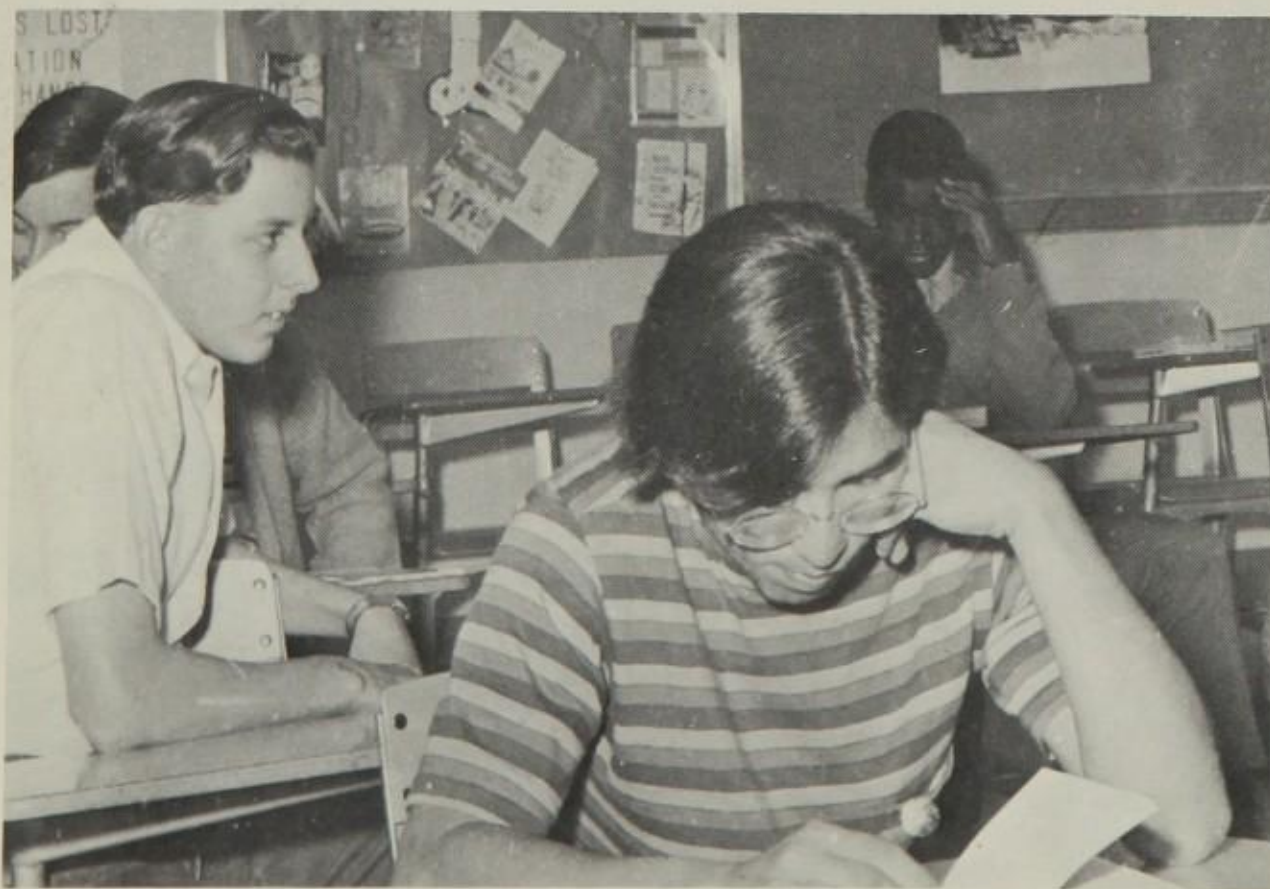

The new program is a joint effort by the English and Reading departments to improve attendance, help lower the drop-out rate and provide a more understandable curriculum for English.

Placement in one of the nine class divisions is dependent on a test given in the spring to all students. Each class section has books which correspond with the reading ability of the students. Basically, the subject matter is the same as for former classes, but students, because of ability-keyed books, can read and understand their materials better.

New Equipment Added to Aid Reading Skills

THIS year the reading department is using new equipment and learning new techniques. The audiex machine is used to help small groups improve their reading skills. The cost of this new machine was \$1600 and has proven very successful.

To facilitate the needs of more students, four new teachers have been added to the staff: Mr. Bowers, Mrs. Gartin, Mrs. Wright and Miss Young. All are graduates of ASU.

Home Ec., Foreign Language Give Headstarts

Human Relations prepares Carlos Cruz for problems he may have as a future parent.

OFFERING courses ranging from Beginning Sewing to Human Relations and Advanced Foods, the Home Economics Department is a diversified area of learning. The classes are offered in the hope that they will prepare the students for the future. The Child Development classes sponsor a play school each year to give the classes more insight into the problems of raising children. Guest speakers enlightened the Human Relations classes in the problems of dope and alcohol. First year Home Ec provides the students with a semester of cooking and a semester of sewing.

Foreign Language is involved in a new program this year. This gives advanced students a chance to learn and have fun at the same time. The program sends advanced foreign language students throughout the world and the United States.

COUNTING the number of water drops per minute, dissecting frogs, taking a blood sample, working an equation on the speed of light, keeping track of the movement of the sun as spring approaches, and watching the reflection of a wave pattern are but a few of the interesting things in store for the students in a Science class here at Carl Hayden. Biology, a course once taken by most high school students, has lost some of its following to Earth and Space Science. Harvard Physics has become a popular course due to its historical presentation of science and its varied labs.

Math Department Acquires 14 New Calculators

MATH courses ranging from Algebra, General Math, Geometry, to Analysis, are all offered to Carl Hayden students. The classes prepare students for College and also to participate in everyday situations.

The team teaching method is still proving successful in the teaching of Falcons. Visual Aids, surveying equipment, and 14 new calculators are also being used to help students gain a better understanding of Mathematics.

Responsibility of Government Brought Alive

MANY facets of the Social Studies Department show the concern of students for contemporary problems. Students spend much time in the discussion of elections and of the responsibilities of holding an elective office.

The 1970 school year witnessed a change in curriculum for American Government students. In addition to Economics, students will also be able to choose Sociology next year. Most students seem glad to see this change.

Occupational Experience Gears Subjects Toward Employment

BELOW: Occupational Experience uses many special aids in class.

SCHOOL work and on the job training is a winning combination for students enrolled in the Occupational Experience program.

Classes are geared toward preparation for employment. Students spend half a day in required subjects and the other time in elective classes.

During their junior year, O.E. students are on campus for three O. E. classes in the morning and on the job in the afternoon. During their senior year, the students are on the job full time under school supervision. They receive school credits for their work experience to enable them to graduate with their senior class.

Business Education Department Equips Secretaries for Future

SECRETARIAL Block is a 2 hour block of courses which includes Shorthand, Transcribing, Mimeograph and other general office techniques.

COE involves an on the job training program so most of the students go to school half a day and work off campus the remainder of the day. A cycle system is used in this course to acquaint students with various

office machines, from the rotary calculator to the transcriber. On the job problems are discussed and guest speakers are invited.

Data Processing is also a very good field to get into according to Mr. Bruce Moore. In addition to Key punch and Tab equipment operation an introduction to computer programming is offered.

Characteristics, of quality, accuracy, and perseverance can be evidenced by examination of basic and advanced projects.

Various new machines and equip-

ment have been added to each of the industrial arts areas; Auto-mechanics, drafting, electronics, metals and woodwork. The updating of the laboratories helps simulate actual shop experiences, to technological procedures employed in industry.

It will be a commercial design class related to graphics art and will utilize skills acquired in graphics.

Striving to enhance the imagination and creativity of students, the Music Department offers courses ranging from beginning choir and band to Concert Choir and Band, and orchestra. Concerts were given at various grade schools by the Band and choirs.

STUDENT BODY OFFICERS ROW 1: Billi Smith, Recording Secretary; Kathy Forrey, Treasurer; Sandy Rochin, Corresponding Secretary. **ROW 2:** Ralph Patterson, Vice

president; Denzil Solomon, President. Devie Carpenter took over the office of Recording Secretary second semester.

THIS year the student government stressed brotherhood and as soon as school started they went into action. January was "Get Yourselves Together" month when the student government invited all of Hayden's students and students from adjacent schools to their "Brotherhood" workshops. They also put on a skit called "Brotherhood".

In February they tried something new with assemblies. It was a light show in the gym beginning with black lights at the entrance, strobe lights further in and flashing spotlights inside. Besides the lights they featured ushers in florescent white suits, dancers and singers.

On December fifth and sixth the student government, along with some of the class officers, went to East High for the A.S.S.C. Convention. The main topics were communication between students and teachers, how to overcome apathy and student council problems.

"THE MAIN purpose of ROTC is the development and citizenship of the young man; we are not preparing him for a military future primarily," avers sgt. Alexander, who is in charge of the Hayden ROTC program. He is aided this year by Sgt. Ira Baker.

New uniforms and brass were ordered for the men who number more than 200. The four battalions have daily classes along with general drills, practice, and maneuvers. They are inspected weekly by Sgts. Alexander and Baker.

The ROTC members collected for the Gompers Rehabilitation Center in December, participated in the Veterans Day Parade and competed in area Tactics, Maps, and small bore competition. The annual Military Ball was held in February and ROTC Battalions stood Federal Inspection in March.

Diane Kirkland.

Sophomore Lalie Carrizoza dances to the "Fight Song."

THE Varsity Pom Pon Line, with their colorful pom pons, add spirit and enthusiasm to the games.

They average one new dance routine a week. With the help of pom and cheer advisor, Mrs. Loie Harris, the Varsity Pom Line has made dance routines to "Aquarius," "Big Spender," "Time is Tight" and many others.

Seniors on the line are Captain Leticia Cruz, Bernice Villegas and Mary Ann Florendo. Juniors include Diane Kirkland, Elba Padilla, Sandy Hinojos, Diane Rivera, Donna Leon and Margaret Honanie. Completing the line is lone Sophomore Lalie Carrizoza.

As an end of football season Special, the Varsity Lines reversed roles; the Pom line led everyone into cheer, while the cheer line danced.

Enthusiastic JV Pom in their blue and gold uniforms aid the JV Cheerleaders in raising the spirits of the crowd.

Always willing and ready to perform for their school, Verna Coleman, Debi Daggett, Cecilia Santa Cruz, Sylvia Nabor, Becky Hassell, Pat Fox, Melinda Kline, Linda Prestage, Patsy Rivera and Marlene Beswick are the members of the JV Pom Line.

Besides dancing at half-time for JV games, the girls helped at bake sales and car washes. Alongside JV Cheer they played a Powder Puff game against the Varsity Lines.

JV Pom Captain Verna Coleman and Marlene Beswick dance to "Sugar, Sugar" one of their

original dance routines.

Varsity Cheer Leaders Kindle Hayden Spirit

LEADING everyone into cheer at the weekly games are Varsity Cheer Captain Linda Thompson and Co-Captain Rhonda Carroll. Kathy Willcutt, Nancy Fisher, Vicki South and Patty Hayden complete the peppy Varsity Cheer Line. The girls practice daily making up new cheers and adding new steps to old cheers. Among the new cheers are "Spirit," "Success" and "Victory for Varsity."

To pay for letters and trophies the Cheer Line raised money through bake sales and car washes.

On November 15, they participated in the International Cheer-leading Foundation, held at Gerard High School, to learn new cheers, chants and crowd control.

VARSDTY CHEER LINE Rhonda Carroll, Vicki South, Nancy Fisher, Kathy Willcutt, Patty Hayden, Linda Thompson.

Junior Varsity Cheer perform for the audience at a JV game.

"IT'S Victory Tonight" could be heard throughout the lobby of the gym as the 1969-70 Junior Varsity Cheer Line learned their first cheer of the year. Being a member of JV Cheer means taking criticism and helpful hints from the Varsity Line every time a cheer, chant or jump is learned.

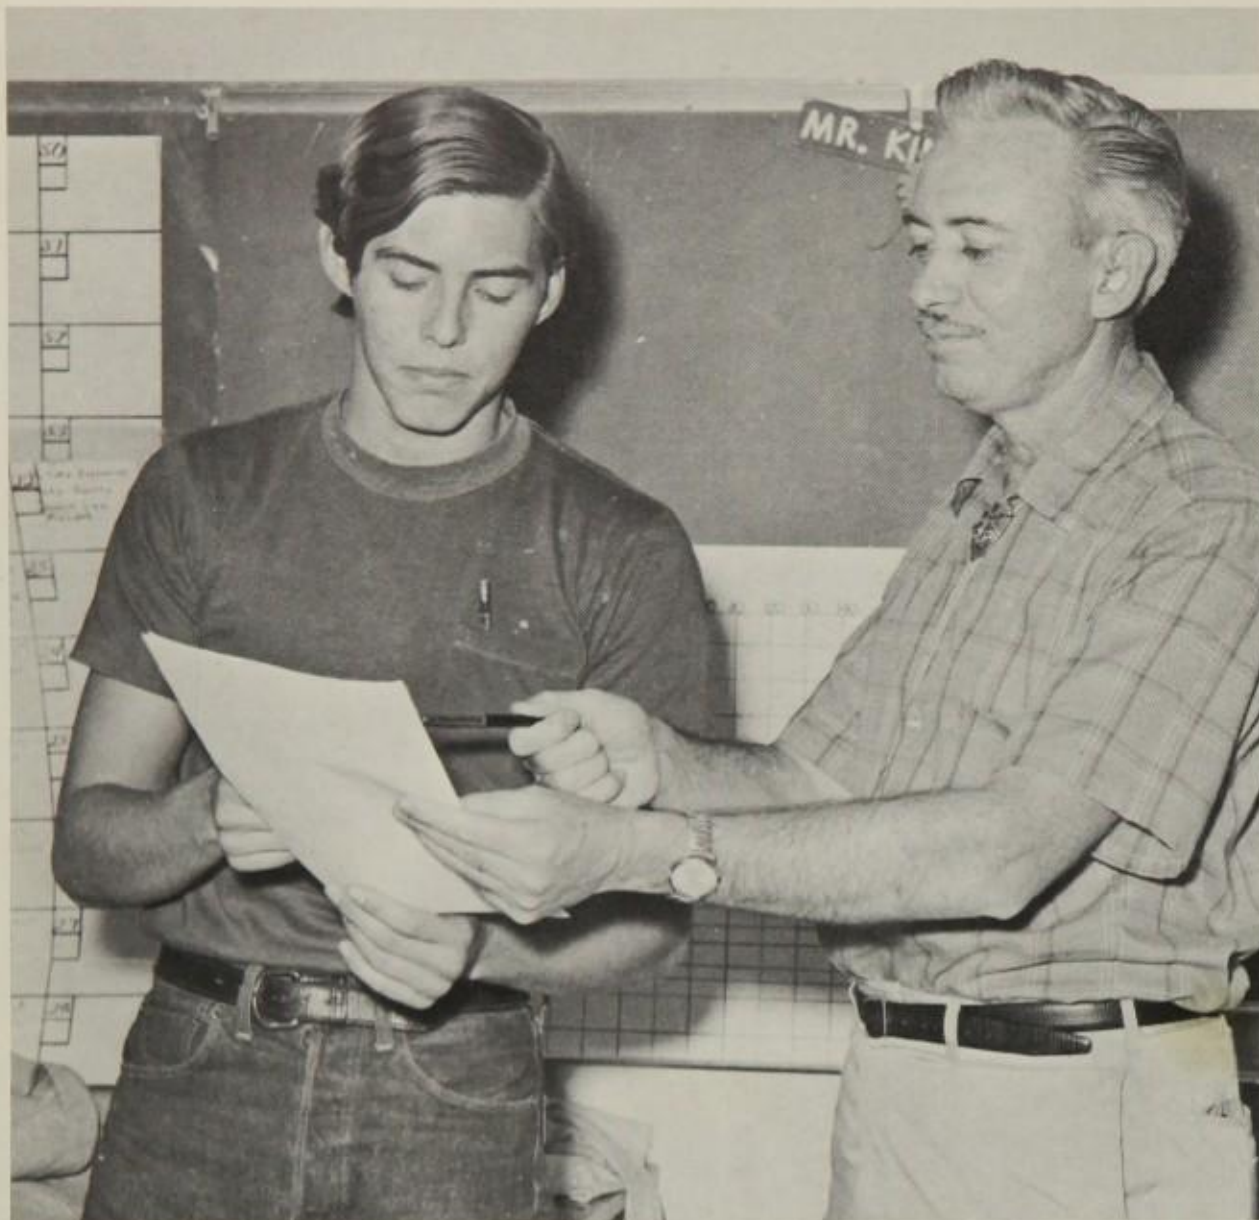

With the hope of someday being one of the girls on the Varsity Cheer Line, Captain Patsy Sarceda, Co-Captain Geri Christensen, Debbie Harrell, Pam Burris, Elizabeth Gidaro and Linda Krah practice continuously.

This year JV Cheer was given the special privilege of cheering at a pep assembly in competition with the Varsity Line.

“Highlights” Issued Monthly by Hayden Staff

HAYDEN HIGHLIGHTS staff, under the direction of Mr. Albert Kinsky, covers the Hayden Campus like the dew. Reporting, writing, and photographing the news is but a part of the publication's responsibilities. The newspaper is self-supporting; therefore, soliciting and writing advertisements becomes a primary duty. Keeping the Highlights' fingers on the pulse of the school, staff editorials that inform and persuade are an integral part of the school publication that is published monthly.

The staff has sent gift subscriptions to former Hayden students now serving in Vietnam.

'69—'70 School Year Recorded as Falcon History

YEARBOOK '69-'70... Sarah, get that moth on the color block—it's the perfect color for our cover... What's that eraser doing in your coke?... What do you mean the copy is monotonous—how many way can you say 'lost'?... What's developing in the darkroom? Who's with Gene... No, no, Mr. Bursell, that's a *Falcon*, not a chicken... What do you mean the trash has been emptied—I'm sure my copy is in there!... What's more important—the deadline or your Christmas dinner? Keep typing!... Could you please connect me with the Postmaster General... Remember Joy—if you have an accident on the way to the post office, throw the pages clear!... You are on the annual staff and

you are still smiling?... No, Dear, the restroom is locked, but there is a bush on the north side of the 200 building... I haven't been home in so long that the dog doesn't even recognize me... We must use this picture—he's got that dreamy bedroom look!... Remember we're trying to foster goodwill and a harmonious relationship with Newspaper!... No, Melissa, you don't spell cat with a "k"... Here's another misspelled name—Virgin Solomon... What the heck does pulchitruide mean?... No, Devie, you cannot use 'plucked Falcons' in a headline... What do you mean 'drop dead'—you know there isn't floor space!!... Mrs. Udell, I didn't do it!!!

Mr. Denzil Solomon Boys' State Governor

Mr. Woodrow LeSueur, CHHS principal, congratulates Arizona Boys' State Governor Denzil Solomon.

DELEGATES to the 1969 session of Arizona Girls' State at the U of A were Kathy Forrey, Patty Hayden, Susan Smith and Bernice Villegas.

The week of June 8-14 was filled with learning experiences, both of governmental procedures and of human nature. Each day's activities ranged from a morning flag-raising ceremony to a spirited song fest and an inspiring vespers service each night.

Delegates learned about government by serving in their own. Kathy, a Federalist Party member, was City Engineer of Sycamore City; Patty, A Nationalist, was a state Senator; Susan, a Federalist was Conservation Commissioner of Cholla City; and Bernice, a Nationalist, was elected to the House of Representatives.

GIRLS' STATE DELEGATES: Bernice Villegas, Kathy Forrey, Susan Smith, Patty Hayden.

Falcons Win Honors at Boys', Girls' State

BOYS' STATERS attending the 1969 session at NAU were Luciano Alonzo, John Hassell, Denzil Solomon, and Fred Whalen.

Aggressive campaigning and long hours were characteristic in the mock elections and in the functioning of the Boys' State governments.

Luciano served as a Pruitt City Councilman and District Commissioner; John was Carlton City Fire Chief and Reader of the House; and Fred was Miles City Attorney and a State Senator.

Top honors were won by Denzil Solomon, who was elected Governor of Arizona Boys' State. Denzil will return to the 1970 session and serve as the Chief Executive of Boys' State until elections are held.

BOYS' STATE DELEGATES: Denzil Solomon, Luciano Alonzo, John Hassell, Fred Whalen.

Delegates Gain Insights Into Fellow Humans

HELD at the Sky-Y Camp in Prescott from June 8 to June 20 the two one-week sessions of Anytown with 150 teenagers at each session, served as a unique experience in human relations.

Anytown delegates learned from and about one another through small discussion groups, hearing specially selected guests speakers and taking part in skits dealing with contemporary problems.

Through living with, talking to, and listening to other people of different racial, ethnic, and religious backgrounds Anytown delegates gained a deeper understanding of many aspects of human relations

ORGANIZATIONS

Key Club Sponsors Veterans Day Assembly

KEY Club is an international service club which helps the community and school. To help the community Key Club has distributed posters for the Tuberculosis and Respiratory Disease Foundation. Peanut Brittle was sold to raise money to give two Thanksgiving Baskets to needy families around Phoenix.

Key Club members helped out at school by helping the bookstore distribute books to students.

During November the Key Club presented the Veterans Day assembly. The assembly featured a skit portraying a situation where all world leaders met to discuss a way of uniting so they could fight off an invasion from outer space. The plan ended in disaster as the various leaders began to fight among each other and finally walked out of the meeting.

"Mistletoe Magic" Talk of Hayden Campus

"MISTLETOE MAGIC" was the talk of campus. Everywhere you walked on campus you could hear someone say "Are you going to the formal?" "Who are you taking?" Or maybe a statement "You should see my formal! Boy, is it gorgeous!" Sometimes you could hear "What's the theme of the Christmas formal?". After the formal there was talk of "Wasn't it just beautiful?" "Weren't the decorations cute?" and "Didn't the orchestra play beautifully?"

The theme of "Mistletoe Magic" was chosen early and the planning and preparation of decorations was underway well ahead of the formal. Every week the decorations committee met in order to finish all four hundred table centerpieces. Saturday, December 13, the day of the formal, you could see Carl Hayden

girls in blue jeans and rollers in their hair, climbing ladders and chairs as they put up all the decorations.

A fashion show was sponsored by Girls' League as an All-Girl Assembly. it was presented by Plaza III and was modeled by Plaza III's own models. They showed the look which was "In" and a look which was definitely not "In".

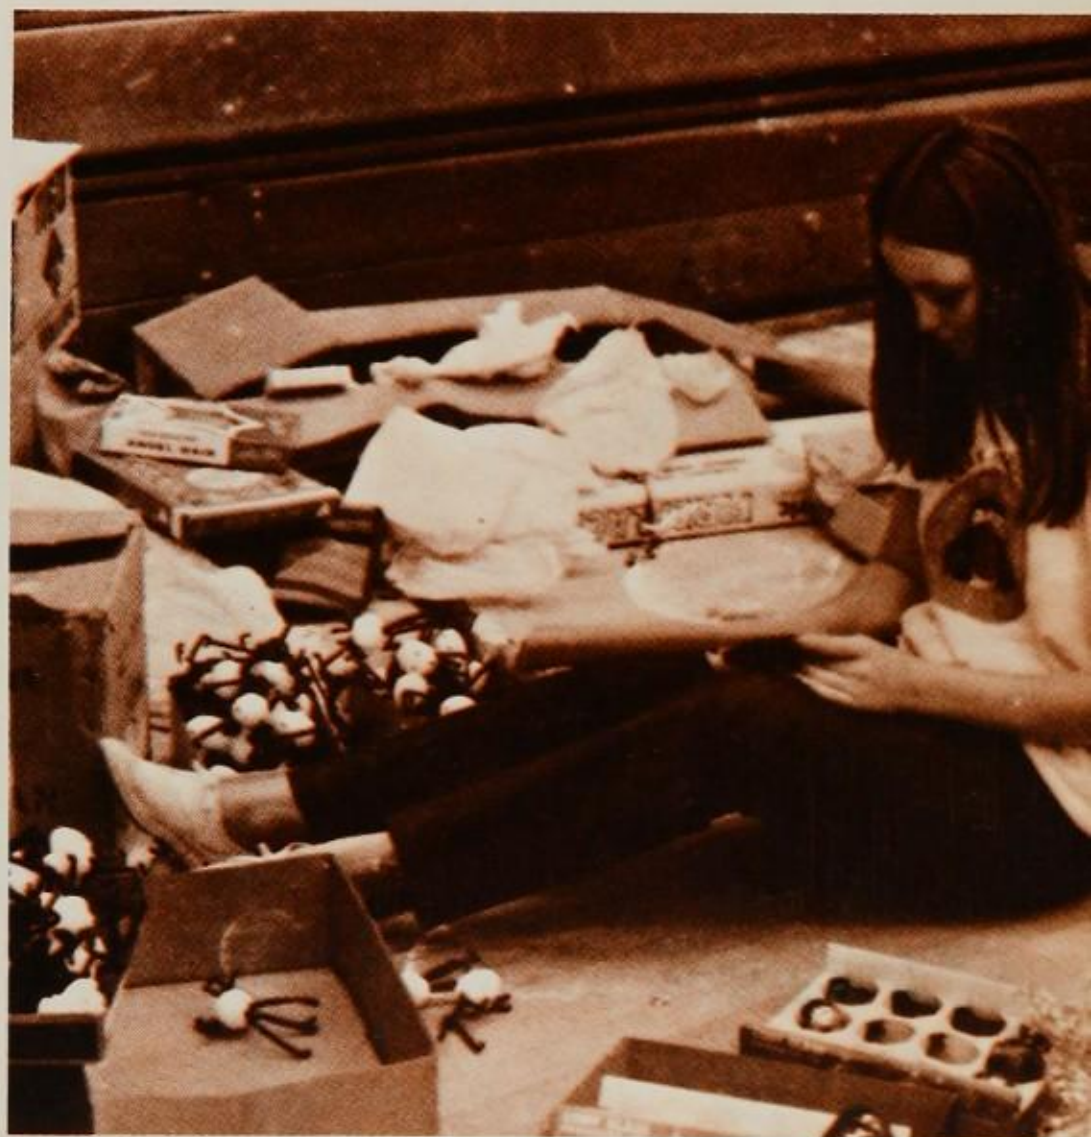

Besides the Christmas formal, fashion show, and the elections of representatives, Girls' League had their annual "Hen" party, Mother and Daughter Dessert, worked with the Valley of the Sun School for Handicapped children, and of course held the 1970-1971 officers elections. All this plus more makes Girls' League one of the most active organizations on Carl Hayden's campus.

Chatting sometimes helps you to work a little faster says some helpers.

They sponsored the Alhambra Spirit Caravan in which the best decorated car won a trophy. They also had a "White Cane Drive" with the funds going to the Conservation of the Blind.

PAINTING posters, decorating the goal posts and having fun was the heart of Pep Club. The rallies and assemblies boosted the Falcon spirit. Their Enthusiasm was more stimulated by OZOB, the official Falcon spirit booster.

At every football game the members and their friends gathered together at the center of the bleachers to yell and cheer for the Falcon football team. Neither away games, rain, nor very cold weather stopped the Pep Club from attending the games.

Basketball season had even a more tremendous turn out. The traditional "Class Spirit Contest" helped to make this possible.

This year, the Falcon artists devoted their talents and time to help the other clubs advertise their sales and activities. They made very artistic posters according to each club's needs.

THE 1969-1970 French Club's purpose was to promote interest in French-speaking people, their cultures, and their language.

Only students who took French during the year and native French-speaking students, who were invited to join, were allowed to be in the club. The annual initiation was held in the cafeteria to welcome new members. During the ceremony the initiates were blind folded then asked to perform different feats such as walking across the room and shaking another initiate's hand.

Through the school year the club supported a 12 year old orphan girl name Altagrace in Haiti. The club paid 144 dollars through the Christian Children's Fund to support the child.

AFTER four years of inactivity interclub resumed an active roll on the Carl Hayden campus due to the initiative of Ralph Patterson, Vice President of the Student Body. Serving as the chairman for the council, Ralph conducts the meetings which are held twice a month in the cafeteria. The Interclub Council consists of the officers and all interested members of twenty two clubs on campus.

The purpose of Interclub is to promote better relations between clubs and to build spirit among them. During meetings members suggest ways of improving the clubs and improving the attitude towards clubs on campus, as well as discussing projects to promote interest.

THE MAIN purpose of Chess Club is to give people who know how to play chess a chance to play, and to teach the people who want to learn how to play.

During the year the top players go to the Arizona State Tournament where they compete with other school chess teams from throughout Arizona.

Unique Forum Strives to Ease Campus Tension

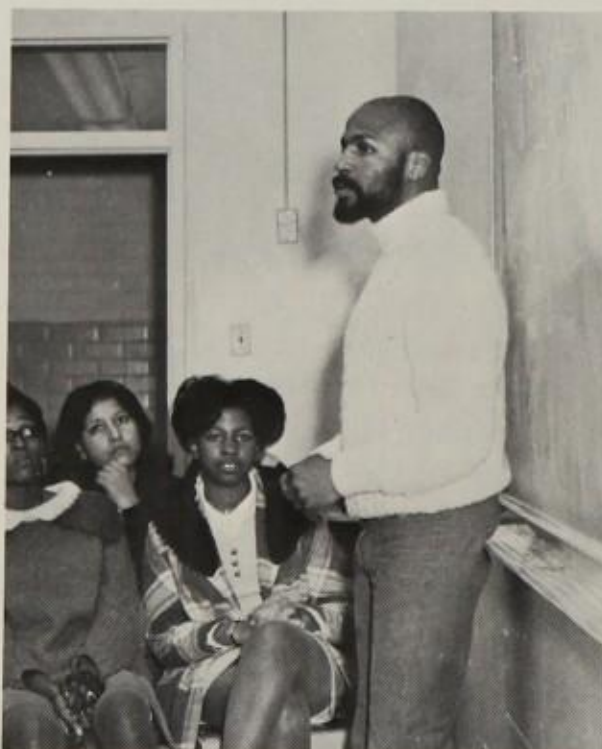

UNIQUE is the word for the Human Relations Forum of Carl Hayden High. Hayden's Forum is the only one in the state which incorporates both the faculty Human Relations Committee and the student Human Relations Committee.

It was originally set up as a committee where faculty members discussed tensions between students and teachers. Many teachers felt the committee would be more effective if students participated so they voted to include students in their meetings. Attendance at meetings boomed when this was done and the committee voted to call itself the Human Relations Forum.

With Mr. Jack Shimer as chairman, the Human Relations Forum meets twice a month in an effort to improve relations on the Carl Hayden Campus. The Forum gives students and teachers an opportunity to communicate with each other about campus tensions.

Mr. Jack Shimer poses a question to the Human Relations Forum on intraracial tension.

Special guest Rich Rogers discusses intraracial dating during a January meeting of the Human Relations Forum.

Students look on with interest as they listen to Denzil Solomon and other members of

the Forum express their opinions on the problems involved in dating.

Marguerite Turner tells about problems she has encountered with intraracial dating.

Drama Club Puts on "Up the Down Staircase"

HAVING practiced for six weeks from 6:00 to 10:00, Drama Club was ready to put on their first play of the year. Drama class was put to work making props for the play while Jo Whittle volunteered her talents to make costumes. "Boys and Ghouls Together," starring Henry Barros, Bob Webster, Diane Faust, Marilyn Lucas and Marguerite Turner, proved to be a successful November production about a spoof on the Dracula family.

The second production was put out on April ninth and tenth. It was "Up the Down Staircase," a comedy about the life of a first year English teacher in a multi-racial school.

Besides rehearsing for plays, Drama Club had two sales in the spring. They also participated in forensic meets where the members took cuts from a play, memorized them and then acted them out.

GAA Tournaments Numerous Throughout Year

Active participation of all players is essential to the progress of a good volleyball game.

THE 1969-1970 year found GAA girls on the go. GAA started the year off with a mass orientation meeting to acquaint members with the point system and with the sponsor, Mrs. Funari.

GAA members participate in such sports as badminton, Volleyball, shuffleboard, ping pong, paddleball, archery, softball, soccer, and swimming. Intramurals and inter-school tournaments are held in ping pong, volleyball, shuffleboard, basketball, and archery. These tournaments are held after school and on Saturdays. Awards are given for the first, second, and third place winners in each sport.

GAA points are earned by members through their participation in activities that are offered after school. Girls also earn points by selling baked good, suckers, and chocolate throughout the year. These points are then tallied each year and awards are given for girls that have earned 250, 350, or 500 points.

The money earned from the sales is used to buy awards and to sponsor the annual Girls' Physical Education Awards Banquet. The awards are given to girls that have been outstanding members.

Other events sponsored by GAA include a one-day outing and an overnight slumber party.

A RELATIVELY new club on campus is the Handball Club, now in its second year at Carl Hayden. Skill, coordination, and quick reflexes are the requisites for membership in the club.

Team Suffers Losing Season As It Fails to Gain Momentum

"WE played our best game but a hundred percent just wasn't enough," commented coach Richard Harkins concerning this year's disappointments in terms of wins and losses as the team's efforts failed to gain momentum as the season progressed. The players worked hard to achieve a good year but lack of experience and having to play many sophomores on varsity took its toll.

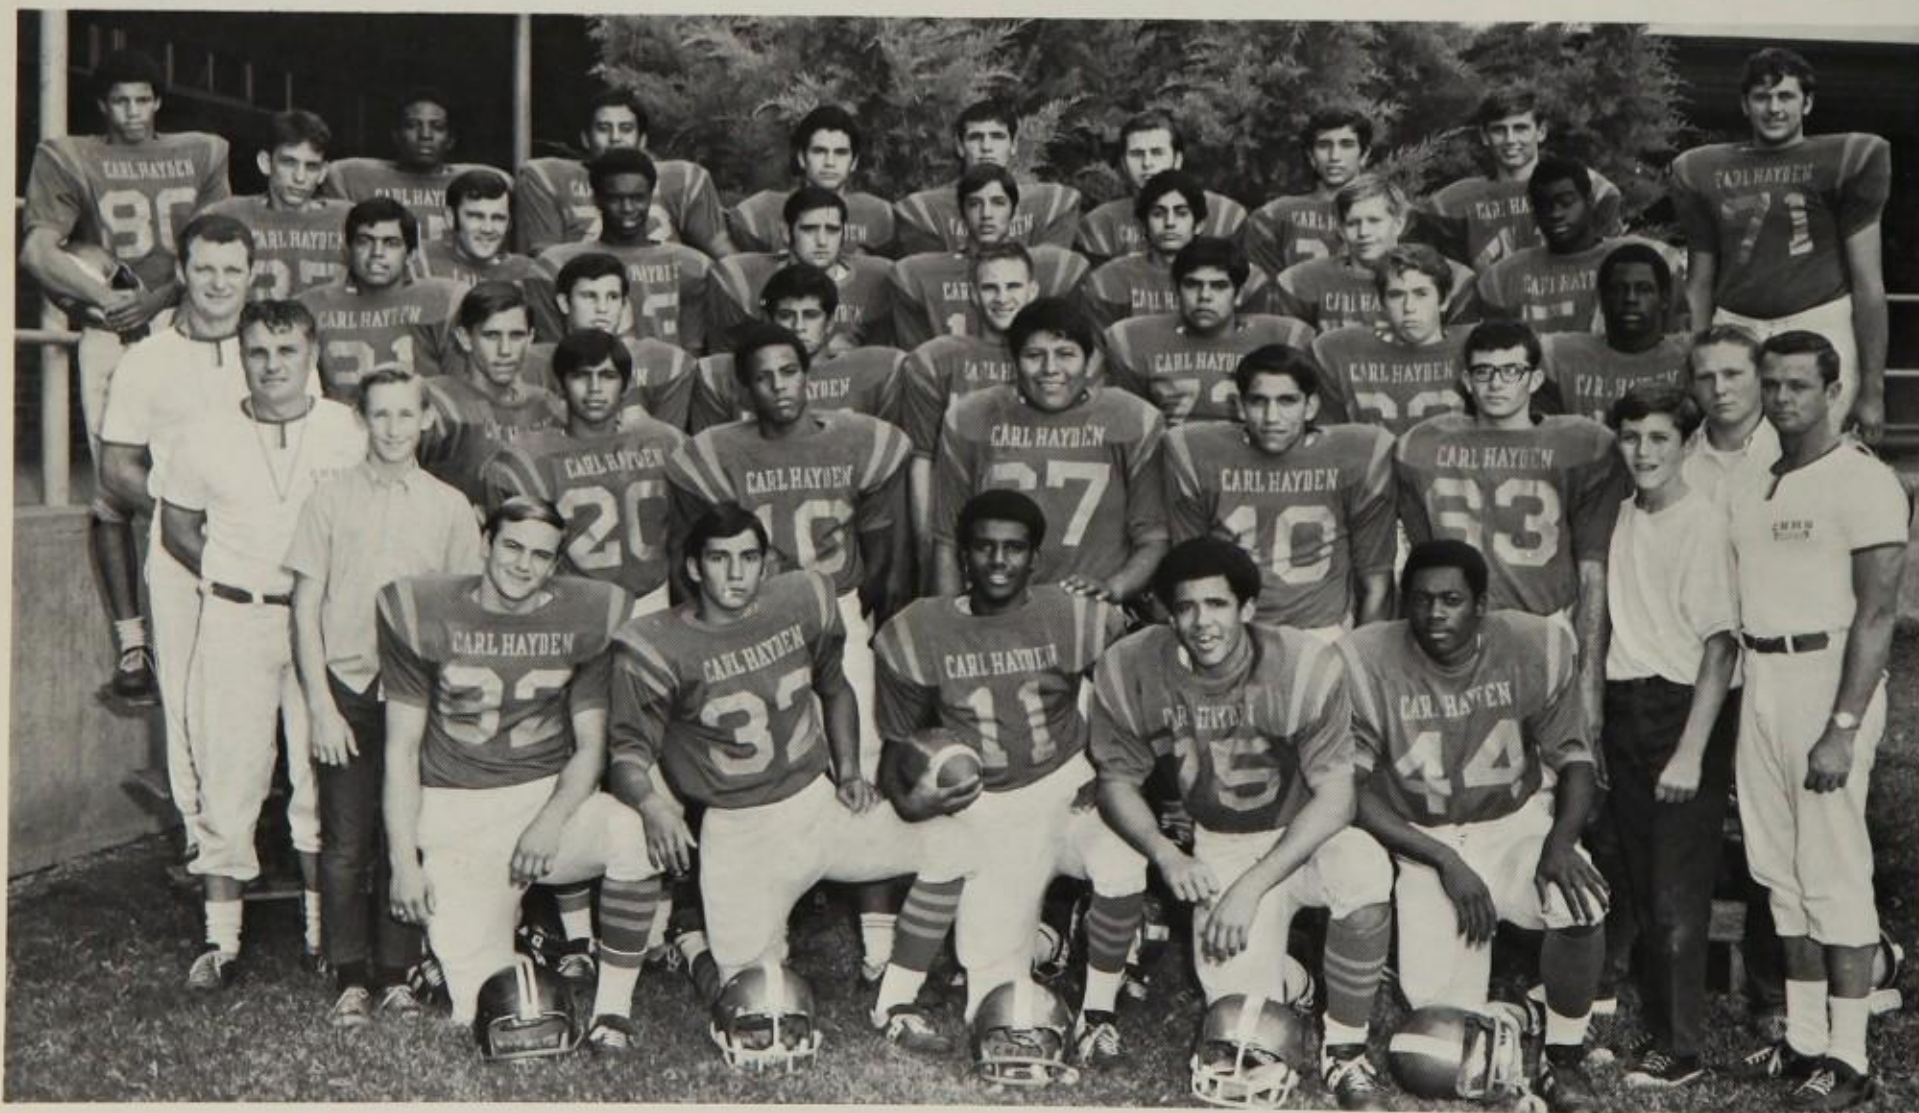

At the close of the season two Falcon team members, senior Luciano Alonzo and junior Robert Warianka were named first team

All-Divisional players by the coaches of the Pheonix Union High School system. Senior Ronnie Cobos was chosen Outstanding Player of the Year by the Maryvale Star in recognition of his ability as a line-backer and fullback.

The Falcon team finished the season with a 1-9 record, its only win being against North. On the brighter side, the future looks better with eighteen lettermen returning and some fine sophomores from junior varsity to help next year.

CHHS-CENTRAL

Central showed great offensive strength and a staunch defense in a 6-32 thumping of the Falcons in the season's opening game. Hayden scored first on a Marv Faulkner to Vernon Harvey aerial which covered 63 yards as Central started its charge. Central's defense perked up after Hayden's touchdown and held the Falcons to minus 13 yards.

CHHS-NORTH

The Falcon's only victory came by way of the North Mustangs in the season's second game. The Mustangs led the Falcons after scoring a single touchdown in the second quarter. The Falcons won the game when Leroy Birdson scored a touchdown and made good for the two conversion points in the fourth quarter for a winning score of 8-6. Stan Stovall carried 15 times for 60 Carl Hayden yards.

Falcon varsity team efforts were fruitless in thwarting South's charge to get the

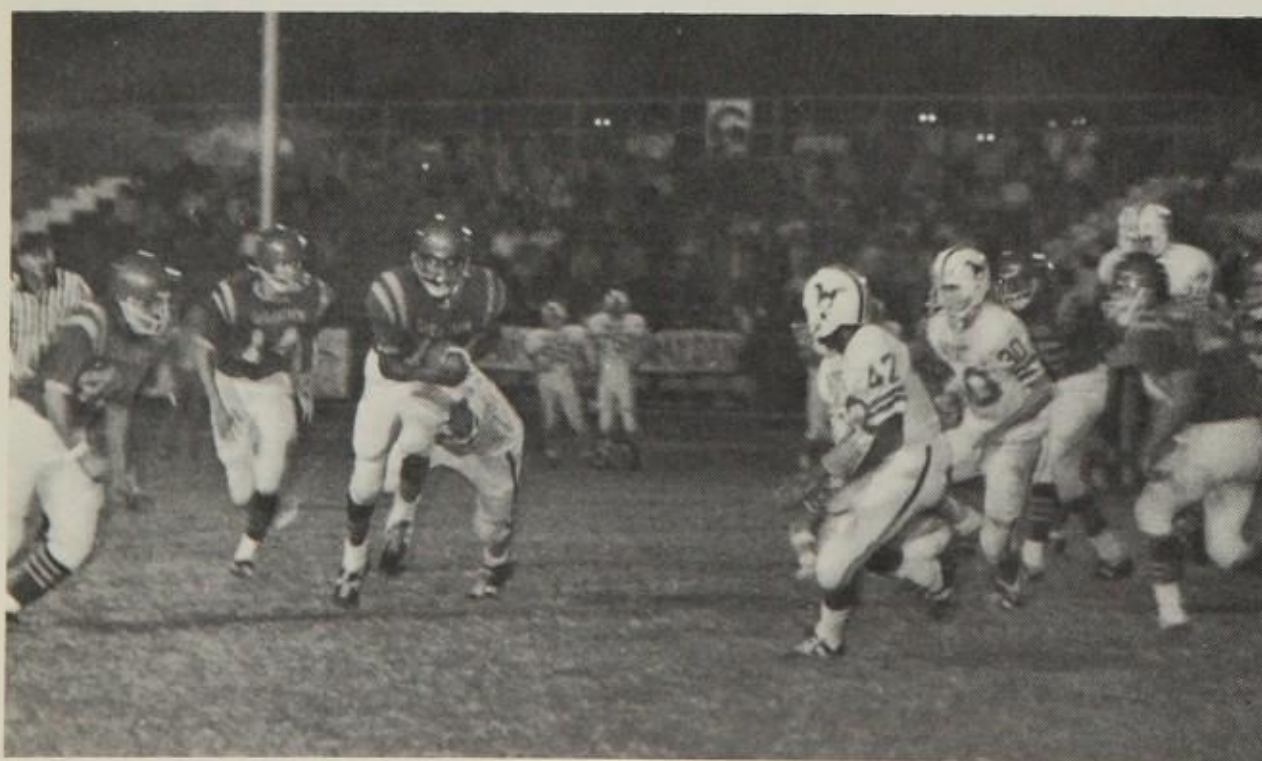

ball into the end zone to score for a touchdown.

CHHS-MARYVALE

In a hard fought game, the Maryvale Panthers defeated the Falcons with a score of 6-24. Maryvale's defense stood solid against Hayden's efforts holding them to one touchdown for the entire game. Armando Ruelas scored on a 6 yard run.

CHHS-SUNNYSLOPE

In the fourth game of the season the Falcons played Sunnyslope and won everything but the game. The loss of 5 fumbles and a touchdown that was called back proved to be Hayden's downfall. Luciano Alonzo led the Falcon scoring with runs of 35 and 75 yards. Stan Stovall scored from 59 yards out and Marv Faulkner hit Rod Hightower on a 5 yard pass for the other Carl Hayden touchdown.

Stan Stovall drives forward pushing for a short yardage gain as the Falcons meet North.

CHHS-SOUTH

The Falcons met the South Mountain Rebels on home ground halfway through the season to suffer a loss of 6-45. Hayden's sole touchdown was made by Rod Hightower on a 6 yard pass from Stan Stovall in the fourth quarter after the Rebels had secured all their points.

Divisional Team

CHHS-EAST

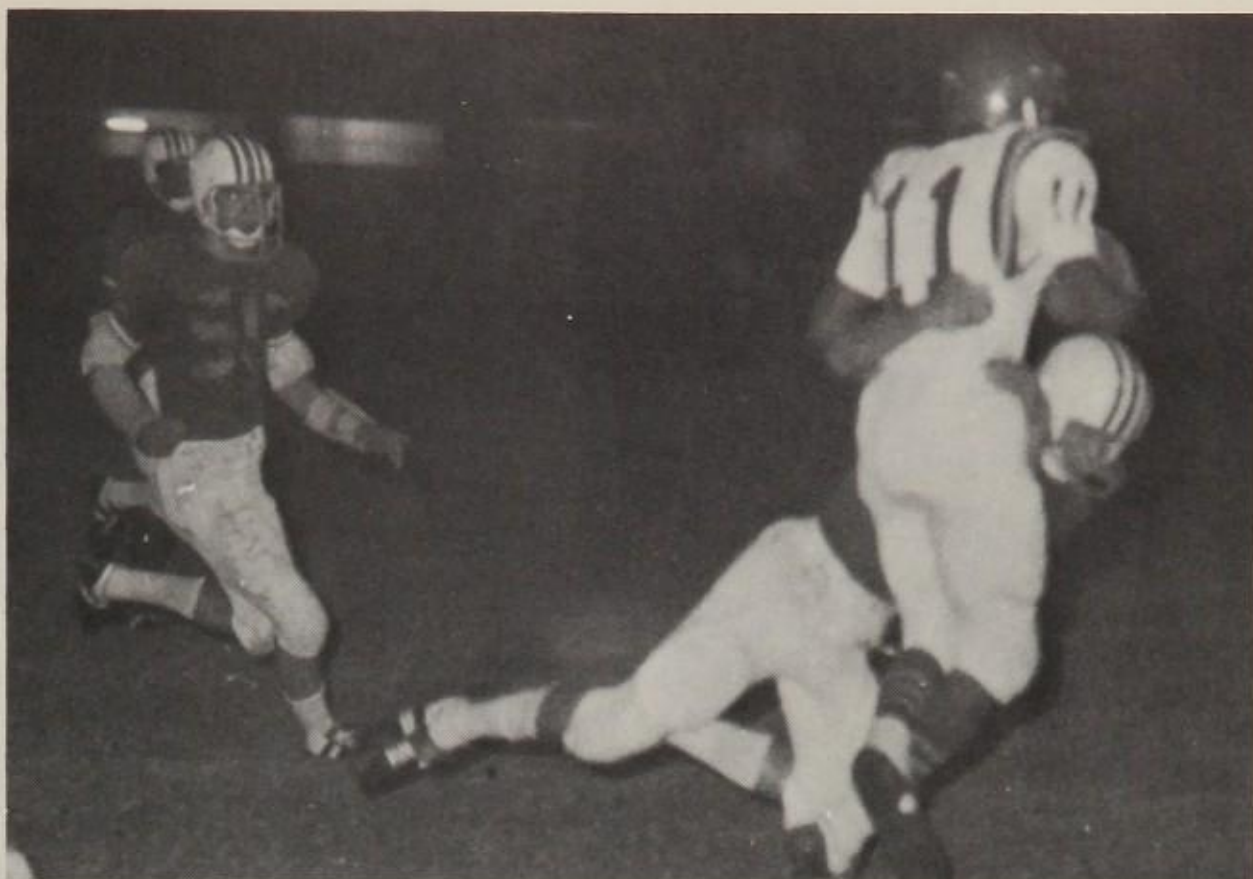

Behind a powerful offensive, East High defeated the Falcons 16-32. Hayden's first touchdown came on a 59 yard pass interception by Vernon Harvey. The Falcons scored again in the third quarter on a 51 yard pass from Stan Stovall to Rod Hightower. Carl Hayden was successful both times in their attempts for the two conversion points.

CHHS-PHOENIX UNION

Phoenix Union had both a strong defense and offense going for them against the Falcons as they defeated Hayden 14-24. The Falcons waged a tough battle during the first half of the game where the extent of their scoring was made. Stan Stovall made it to the end zone on a 5 yard pass in the first quarter. Marv Faulkner's 5 yard carry in the second quarter was good for another Hayden touchdown.

The referee moves in for a closer look as Maryvale ball carrier is tackled by Falcons.

An Alhambra player takes down Stan Stovall in course of action for Falcon yardage gain.

CHHS-WEST

In the Homecoming game against West, Carl Hayden won the statistical battle but came out on the low end of the score, losing to the T-birds 6-26. Both teams were deadlocked at 6-6 in the first quarter until West broke through the Hayden de-

fensive for their second touchdown, in the second quarter. They went on to score again in the second half. Hayden's single score was made by Stan Stovall from 2 yards out.

CHHS-ALHAMBRA

The Falcon's were scoreless against Alhambra in the third league game of the season. The Falcon defense was unsuccessful in breaking through the Lion defense to gain substantial yardage. The Falcon's offensive efforts resulted in fruitless achievements closing the game with a score of 0-21.

CHHS-CAMELBACK

The Falcons were pitted against impressive odds as they met the Camelback Spartans in the closing game of the season. The Spartan's defensive was up on their job, holding Hayden to zero touchdowns, ending the game with a final score of 0-26.

Season Wins Broaden Junior Varsity's Hopes

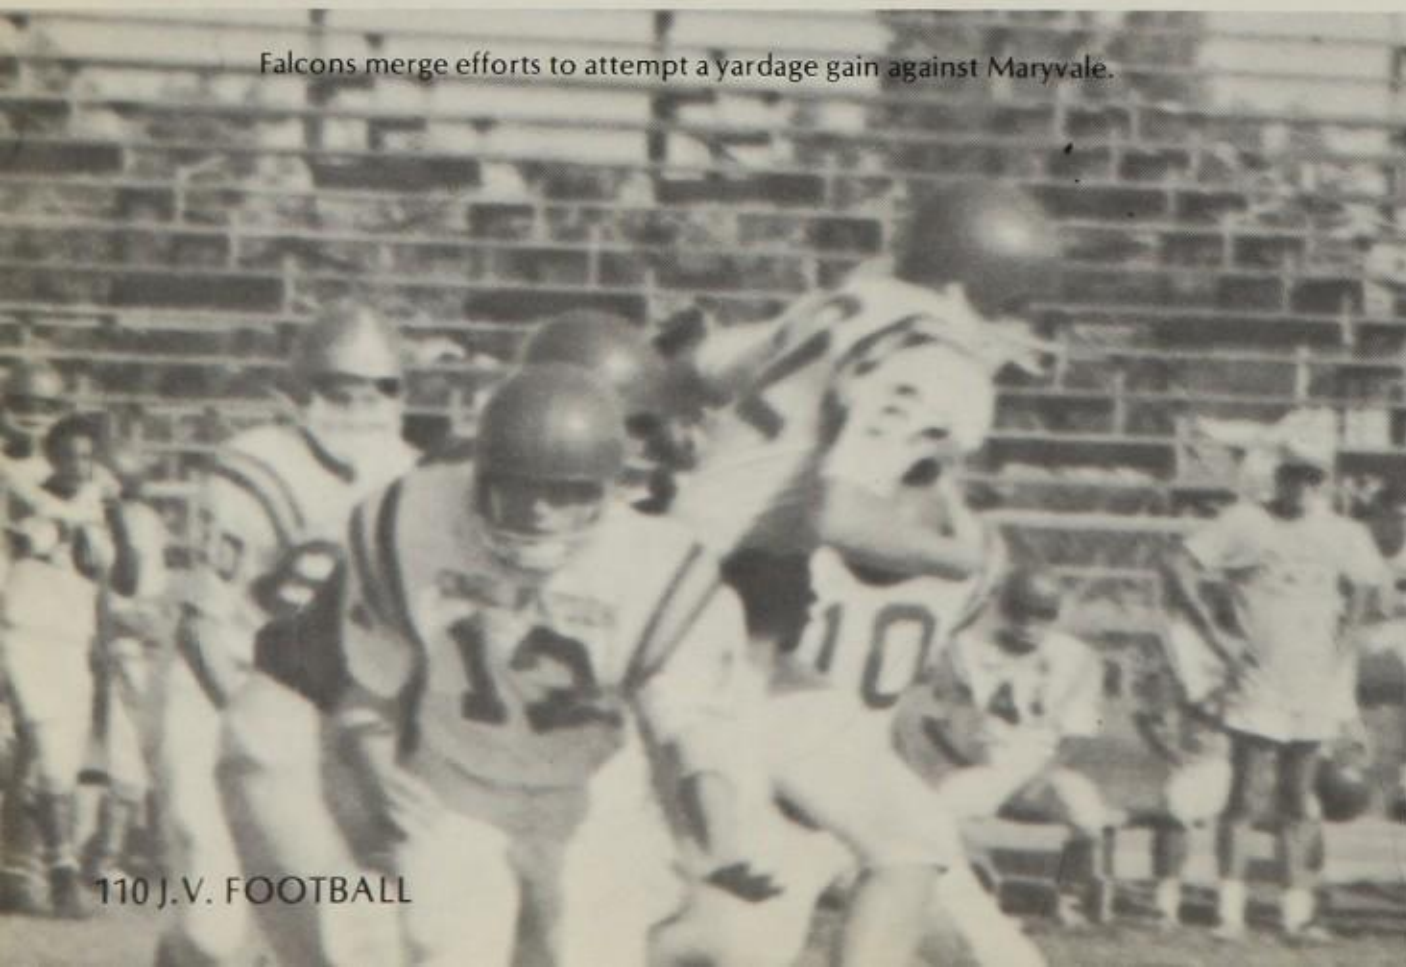

THE J.V. football season came to a close with 3 wins and 7 losses. Defensive standouts for the team were Wesley Melton, Alfred Quintana, and Gary Lavin. Offensive

standouts were Carl Parrack, Rick Mosely, Gary Vann, and Bob Alonzo.

The team's drawback was a lack of sophomores, most of whom were

playing on varsity. Next year looks better for the J.V.'s with some good prospects coming up from the freshmen teams.

Calisthenics, Long Distance Sprints Valuable to Success

THE 69 cross country season ended with the Falcons holding a record of 2 wins and 10 losses. The scheduled meet with Moon Valley was forfeited and the Falcons were victorious as they met the Alhambra Lions with a score of 27-28.

Each day of the season, the team spends long hours after school, first doing calisthenics and then running from 5 to 10 miles to prepare for their meets. Practices go on in spite of what the weather may have in store.

This is the second consecutive

year that Carl Hayden has run only varsity cross country. The majority of the team is made up of juniors. Two team members, Bobby Dominguez and Steve Pena, will graduate this year, leaving five runners returning next year. Tim Hanks, John Garlington, and Frank Translavina are the teams prominent runners. Bobby Dominguez and Fred Russell were leading point gainers.

The five returning lettermen feel that the addition of new runners will help next year!

Towering Rod Hightower Pulls Down Record 244 Rebounds

THE Carl Hayden Falcon basketball team had the best season in the schools' history with an overall record of 12-10.

The Falcons were led by Charles Neal in the scoring department and Rod Hightower in snagging rebounds. This year's team utilized speed, strength and skill in defeating some of the best teams in the state.

The Falcons got off to an excellent start by defeating the first

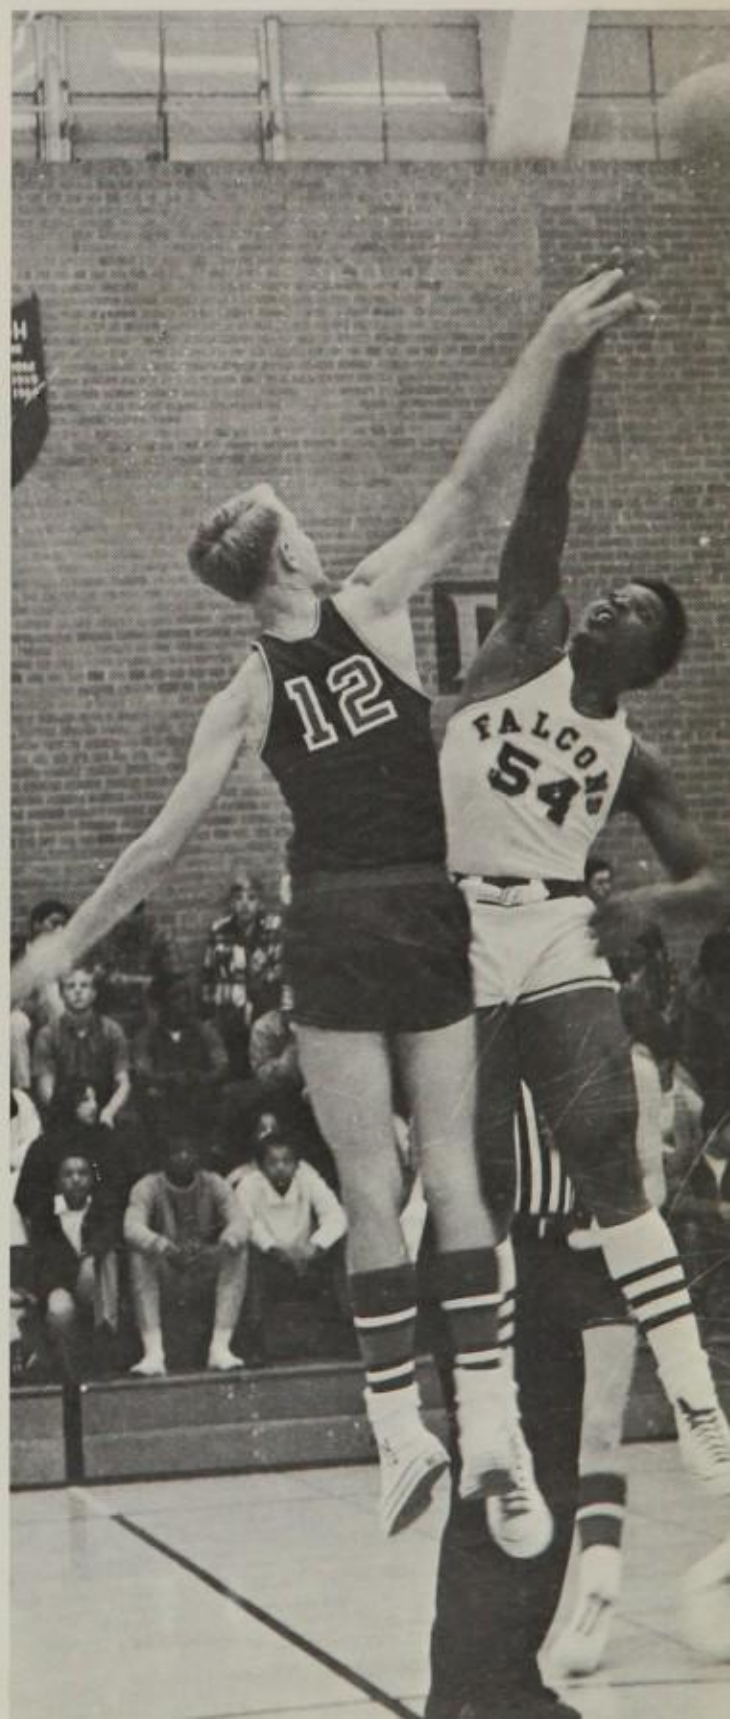

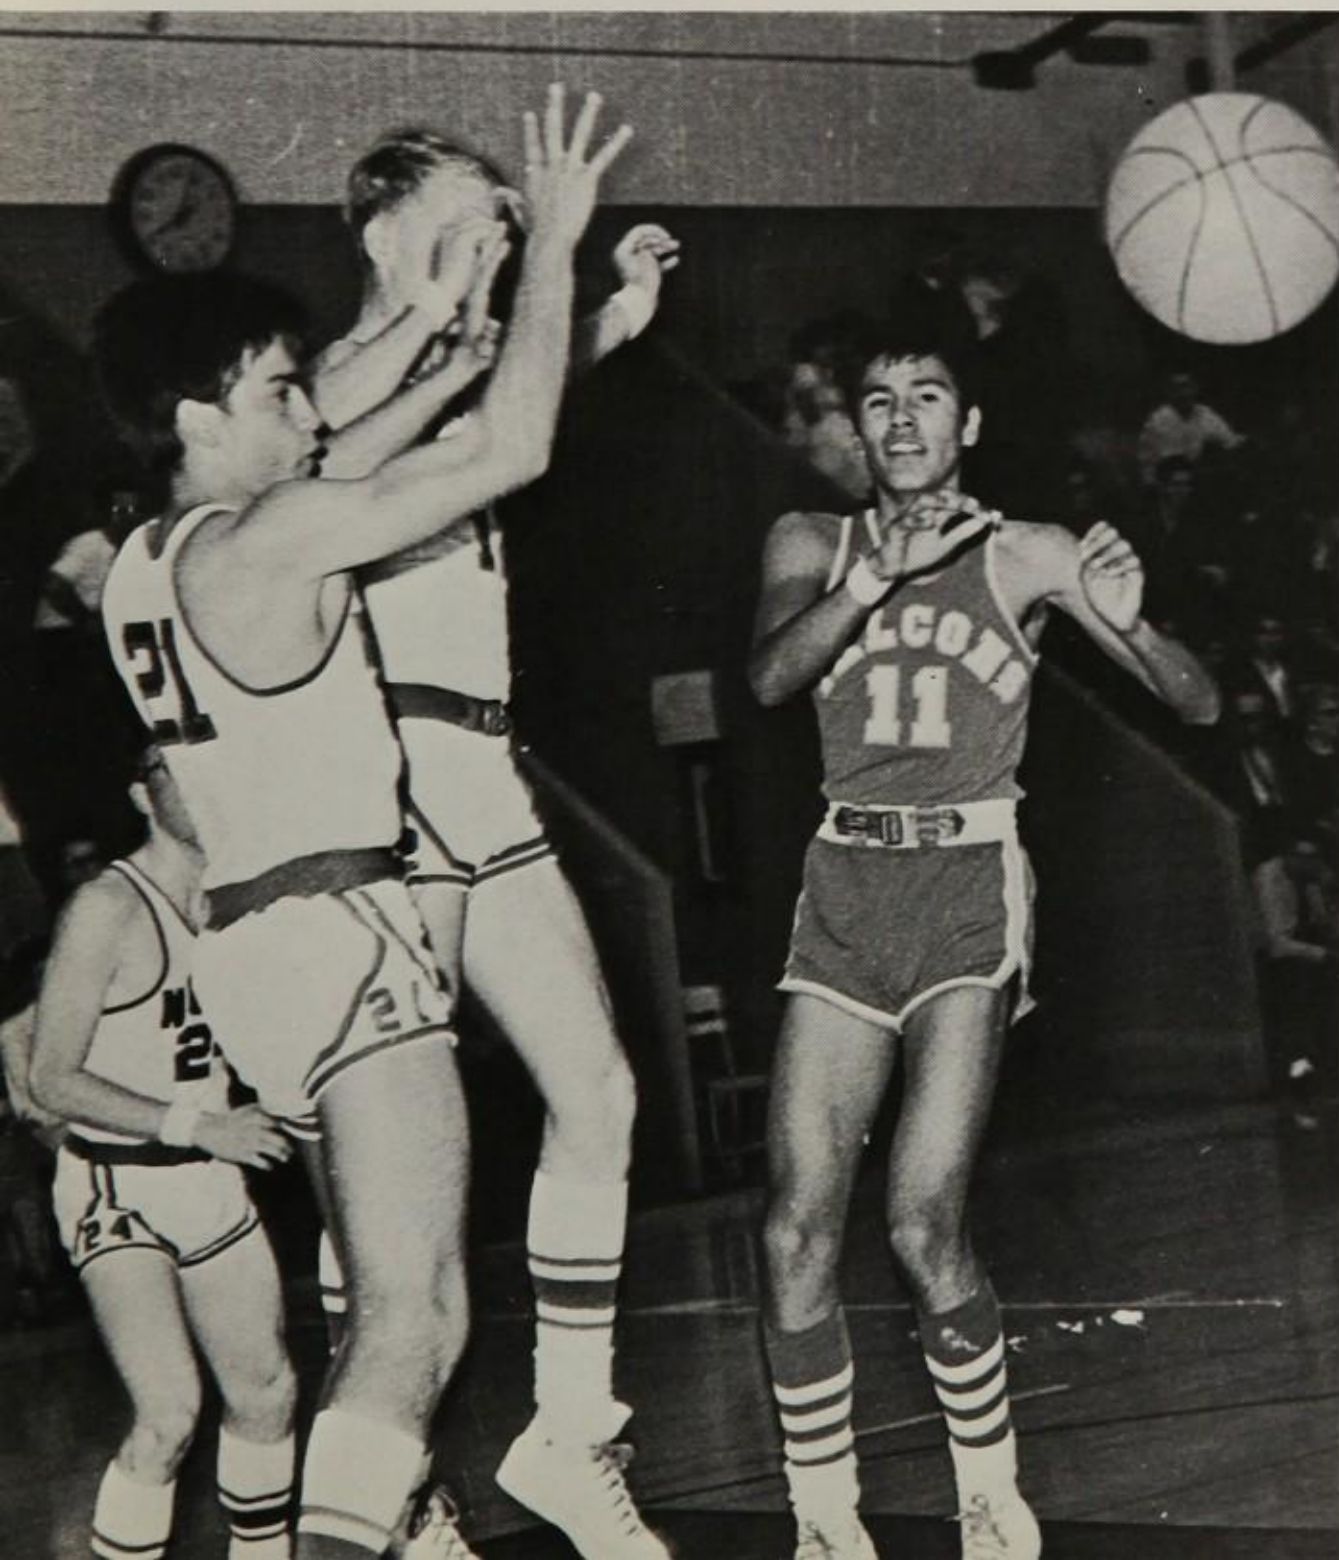

three teams they faced and only losing a few close games.

During the later part of the season the team won a play-off berth, which is first for Carl Hayden, but lost its last three games partly because of an injury to Aaron Hamilton.

STRENGTHENED by eleven returning lettermen, the Varsity Track Team looks strong. As the year-book goes to press, the team impatiently awaits the first meets. Promising contenders appear to be Bob Warianka, high hurdle, 440, mile relay; Charles Neal, pole vault, high jump, broad jump; Al Estorga, high jump; Oscar McLaurin, pole vault; Bernard Eddings, low hurdles, high hurdles, mile relay, broad jump; Charles Wheeler, sprints, mile relay; Frank Traslavina, distance; Stanley Stovall, discus, shot; and Ralph Hernandez, discus, shot. Also coming up are Dave Barresi in the middle distance, and Ruben Mendivil in the distances, with Maurice Stringer showing potential in the mile relay. Starter Denzil Solomon pulled a leg muscle in spring training which may hamper the team.

Prospects for the season on this March 1st deadline appear promising for the Falcon thinclads, coached by Robert Anderson in his debut as coach.

"If we get in shape, we will be a contender for district," says Coach Anderson. "We need lots of self-discipline and dedication on the part of the boys."

Freshman Track Team Expects to Better 1969 Record of 9-5

A BETTER Season than last year's record of 9 wins and 5 losses is predicted for the Freshman Track Team by its coach, Richard Harkins. Strong points of the over-all team, according to their coach, are distance running and sprints, while it is weak in the hurdles and weights.

Outstanding team members are Olen Mackey, sprinting and relays; David Silva, sprinting; Steve Browning in shot put and discus; and Dennis Nemeth on pole vault. Other promising team members are Virgil Solomon, hurdles; Carl Parrack, hurdles; Bill Parrack, Pole vault; and Joe Silva, Sprints.

Freshman Tennis Team Completes 3 to 6 Season

ACCORDING to Coach Phillip Peterson the Freshman boys have worked hard to learn how to play the game. The boys learned that only after lots of practice could they master the game. Coach Peterson hopes that these boys will continue to practice so that they might be able to go on to the Varsity in a few years and give Carl Hayden many victories.

Although there was a shortage of boys on the Junior Varsity team, the boys have worked after school to improve their techniques so that they can continue on to Varsity next year.

SKILL and ability exhibited in competitive matches determines who occupies positions on the Girls' Varsity Tennis Team.

Daily practices were augmented by the addition of a Ball-Boy machine, which aids in developing backhands, forehands, and smashes.

Regularly held free play sessions enable the girls to work on their weak areas, and to earn points toward a varsity letter. Two points are earned for every hour of free play. Strong players on the team are Barb Stephenson, Margie Valdez, and Toni Quema. All three girls lettered in tennis last year.

Peppy Freshman Girls' Tennis Team Ends Year With One Win

JV TENNIS is a proving-ground for the Varsity team, where girls improve and develop their skills. Many hours of practice with each other and with the new Ball-Boy machine occupy much of the team members' time. Outstanding prospects for varsity play next year are Caroline Crum, Francis Coronado, and Margi Stevenson.

The freshman tennis players spend much time in learning basic game fundamentals and skills through practice. Although the season record is not good, much valuable experience was gained. Probable candidates for JV or Varsity play next year are Susan Kelly, Patty Nix, Rhonda Robbins.

LEADERSHIP, tradition, spirit and involvement were passwords for success for the Class of '70.

Seniors started the year with Senior Week, October 6 through 10, the major money-making project of the year for the class. Gym sales of candy apples, popsicles, popcorn, and suckers occupied many seniors' lunch hours. Fun and spirit were the results of a Junior Olympics held in the amphitheater during the Week. Climaxing the week was a dance after the South football game where seniors grooved to "Rebirth." Profits from sales, dues and the dance added approximately \$400.00 to the treasury.

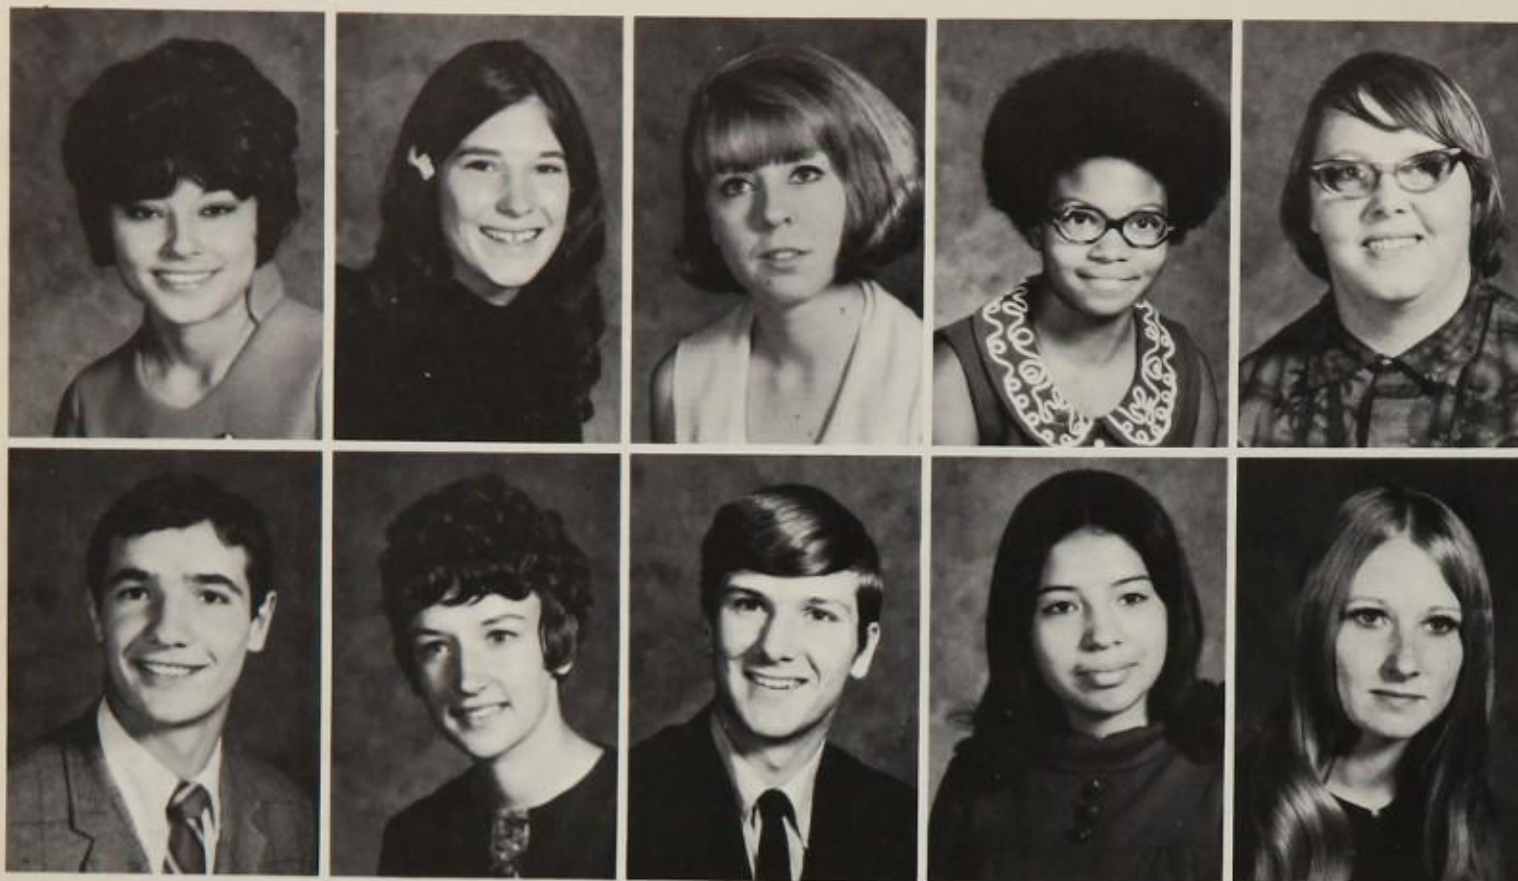

Senior personalities added zest to Falcon life: Denzil Solomon read the daily bulletin, Linda Thompson led Falcon cheers, Mark DiBernardo built spirit as Ozob, while many other seniors participated in CHHS activities.

Enthusiastic Juniors Swing Thru the Year

UNDER the enthusiastic leadership of Junior president Gumby Ybarra, Junior class week began on October 11. Licorice ropes, popcorn and squeezies were sold during the week, grossing \$500. October 17 brought the North football game, which the juniors promoted with signs and blue and gold mini-poms. The juniors also sponsored a dance after the game, featuring the "Music Formula" which grossed \$300. These activities and the main candy sale lead up to the Junior-Senior Prom held at Desert Hills on May 9th.

This year's main choice out of the class rings was the Apollo.

Gumby Wins Caravan Award With "Bugs" Panel

THE Leo Club organized a caravan of cars to the Alhambra football game. The caravan was the first of what Joe Perez, Leo club president, hopes to make an annual project. Despite paint smears, and lack of tape, cars proceeded to the front parking lot for the judging.

From a number of painted and crepe papered entries, a panel truck owned by Junior Class president Gumby Ybarra was chosen. Painted signs, blue and gold pom poms, and a gaint cardboard Bugs Bunny figure were some of the decorations that aided the Junior to victory. As a prize Gumby received an engraved statue of a lion, presented to her by the Leo Club.

Gumby Ybarra, Cathy Teixeira and Rita Flores add a paint job to the winning truck of the Leo Caravan.

Spirit and Money Main Goals of Sophomores

Sophomore sponsors lend invaluable support. SOPHOMORE CLASS SPONSORS ABOVE: Mr. Root, Mrs. Pruitt, and Mr. Grossarth. Not pictured is Mrs. Bothell. BELOW: SOPHOMORE CLASS COUNCIL: ROW 1: Linda Mc Neely, Freda Miller, Carmella Ash, Debbie Harrell, Margaret Drew, ROW 2:

Tryone Gammage, Ronnie Owens, Steve Gregory, Ricky Mosely, Gary Laven, Carl Parrack, ROW 3: Susan Hayes, Becky Hassell, Marlene Beswick, Barbara Estorga, Martha Hamilton, Sylvia Nabor, Elva Hernandez, Cecilia Moreno, Susan Velazquez, Susan Hovey, Linda Thompson, Debbie Rash.

THE SOPHOMORES were guided by the enthusiastic leadership of Marlene Beswick, President; Sylvia Nabor, Vice-President; Susan Hovey, Secretary; and Becky Hassell, Treasurer.

"The main goals of the Sophomore class for 1969-70 are to arouse more spirit among our class and to make over \$1,000 this year," Marlene Beswick, president, informs us.

During Sophomore Week (October 13-17) they sold candied apples, popcorn, suckers and spirit ribbons. A platter pop was given to those who paid their dues. At the end of the week they held a dance featuring the "Portrait of Sound" which over 500 people attended.

The \$400 gained from the sales, dance and from dues will go towards the Junior-Senior Prom in 1971.

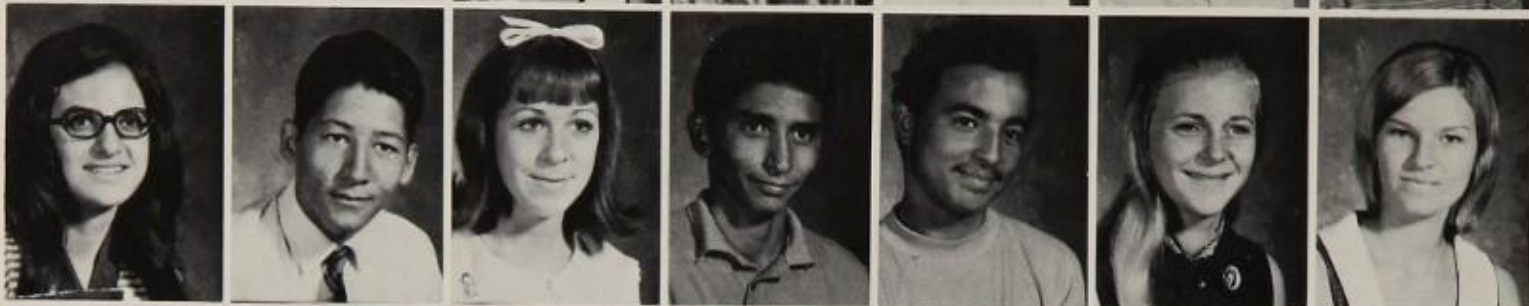

Sophomores led us in the school spirit contest for much of the year.

SECRETARY-PATTY NIX
PRESIDENT-VIRGIL SOLOMON

Frosh Tackle High School Life With Gusto

Freshman Class sponsors are Mr. Jerry Carlson, Mrs. Gloria Heller, and Mr. Gerald Hickman.

THE CLASS of '73, with its enrollment of 800-plus, is the largest freshman class in the history of Carl Hayden. They quickly acclimate to the strange world of High School and set about their biggest task of organization. In their October elections, Virgil Solomon, Benny Jones, Patsy Marin, and Patty Nix were chosen to lead the class.

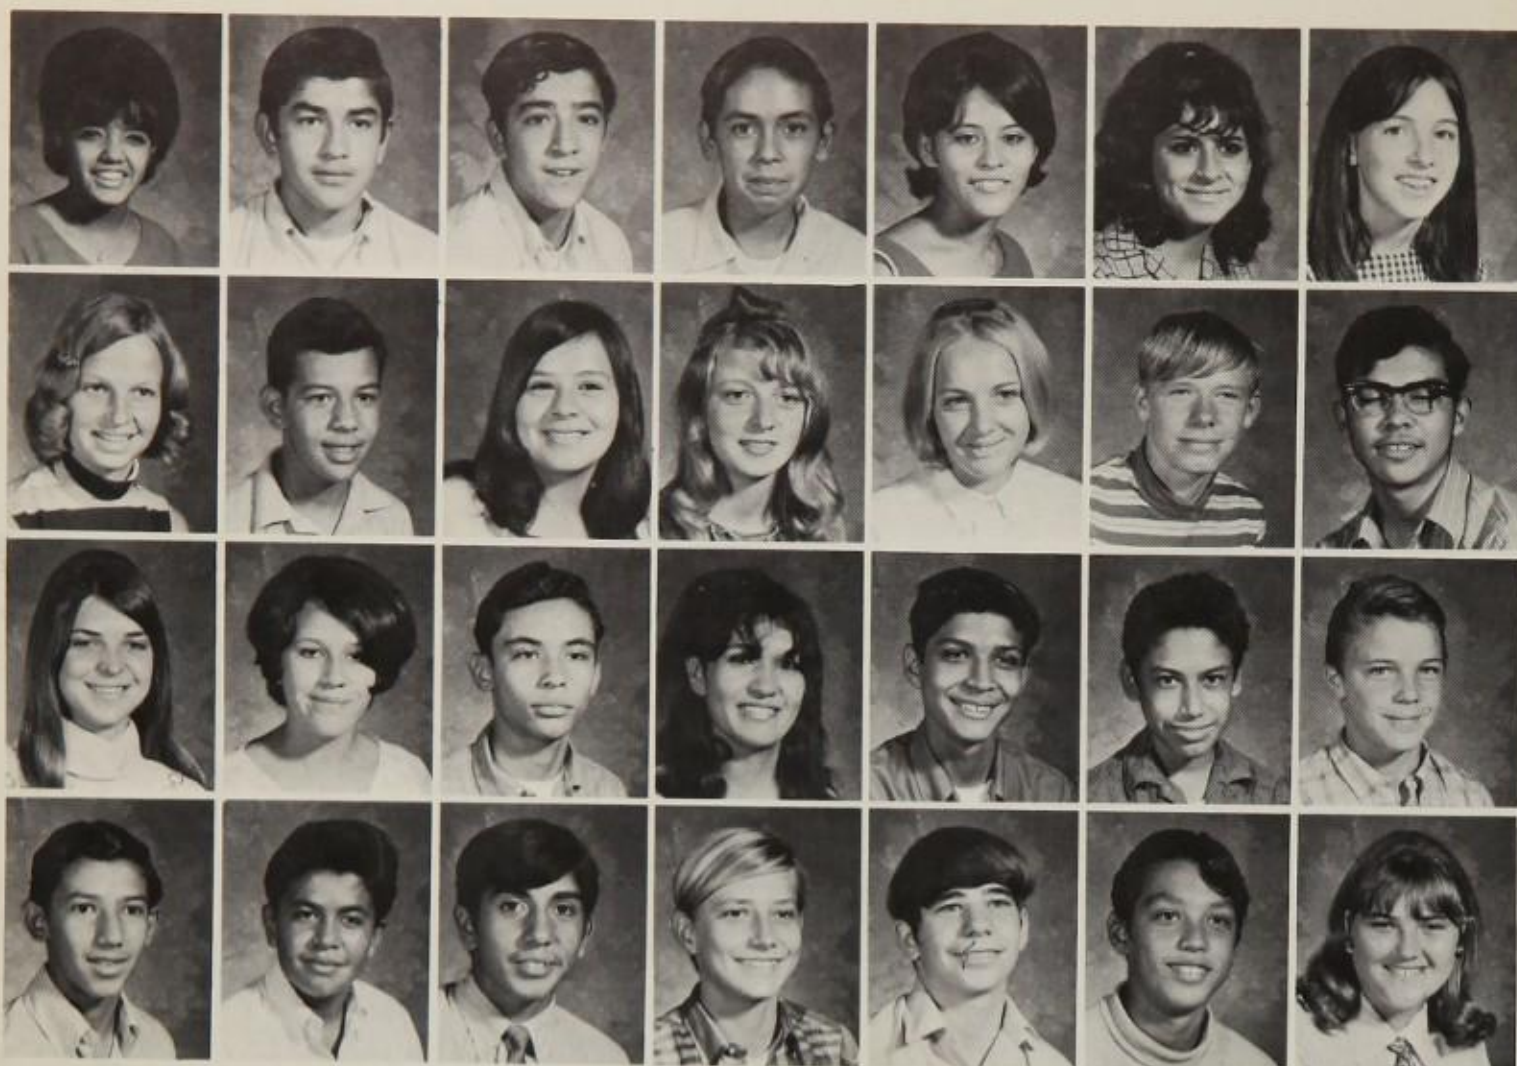

The week of February 8 through 15 was Freshman Week, bringing profits for the treasury from gym sales and dues collection. A dance was the highlight of the week, where the freshmen crowned a Valentine Sweetheart. Late in the spring, the Class sponsored a movie, building class funds for next year.

FRESHMAN CLASS COUNCIL ROW 1: Debbie Sandoval, Teri Hutchins, Connie Ryan, Janet Wilson, Denise Woodmass,

Lucille Hunt. ROW 2: Pam Eason, Barbara Larson, Debbie Bennett, Jane Bennett, Pam Smith, Patsy Marin, Elva Mayoral. ROW 3:

Daryl Decker, Mike Hale, Manuel Salizar, Virgil Solomon, Patty Nix, Terry Carroll, Chris Newton, Nancy Gregory.

When You Set Up Your Household APS Electricity

At least, that has been the pattern over the decades. Arizona Public Service charges less per kilowatt for electricity today, than it did 20 years ago. And less than, than 30 years ago. ■ As a new homeowner, you'll want every break you can get. APS is happy to provide one more.

Whirling CHHS Carousel Pauses Till Fall

AS THE YEAR draws to a close, the Carl Hayden campus and our carousel empty for summer vacation. Memories remain, though, of friends, athletics, and a myriad of activities in the 1970 STATESMAN.

David
It's been
really fun
going to school
with you. I hope
we get to do it again
sometime (ha-ha). You're really
out-a-site, so keep that way
(remember me in the years to come)
Good luck
Shirley
